Dan's Last Letter

Dear Supporters and Members of CCC,
I begin this letter introducing you to CCC's new Board President, Rob Goddard. Rob and I have been friends for 15 years. He was a furniture volunteer in 2011-12 and introduced me to CCC, leading me to join staff part-time in 2013. Rob's love for Jesus and people is clear to any who get to know him, as seen in his various interactions with neighbors, friends, family, students and coworkers in Alachua County. Joining Rob on CCC's Board as Treasurer is Stephen Sorley. Rob's trust of Stephen to work with integrity on CCC's Board and accounting is an encouragement for CCC donors and staff. I am hopeful for CCC's growth into a more mature community organization under the commitment of these men and the remaining Board and staff.

The timing was not planned this way, but they have stepped up right as I have had to leave CCC for family needs. I told the Board and Staff of my mom's deteriorating health. My wife and I had been looking for job opportunities to move closer to my parents. We found work in a community very near them and have taken this opportunity to close the distance thus giving them more time with their only grandkids.

In 2017 when I was asked to continue CCC's furniture and small services and also to renew community outreach, I had been asking numerous churches and contacts for Board member recommendations. I am relieved CCC now has a Board President and Treasurer. They are already serving in their roles as the Board now considers fresh vision and a search for a new Executive to meet community needs. I thank the rest of the Board for helping to continue CCC's ability to serve the community. I am also thankful for Lenora and Michael continuing the services of CCC these last few years and for working with the new officers in this transition.

I ask that you pray for my family's establishment in a new community. Also pray for CCC's transition of leadership, discernment of Gainesville neighbors' current unmet needs, and direction in being a true essence of God's Love in your community together.

Sincerely,

Dan

Letter from the Board

Dear CCC Supporters,

We are thankful for your ongoing support through prayer, time, and donations to serve our neighbors in need as we continue to expand the borders of God's kingdom in our city, county, and beyond! We appreciate the many years of service of our brother-in-Christ, Dan Clover, and his family as Dan has directed CCC in many wonderful and heartfelt ways. We so appreciate Dan's vision and guidance of CCC through the last several years, and understand his need to be closer to his mom and family in North Carolina in this season of life.

We are excited to welcome Rob Goddard, Stephen Sorley, and Chris Musgrove as new board members! Rob jumps in as Board President and Stephen, Treasurer. It is our plan to continue to grow CCC into the future as we actively seek a new director to guide our day to day operations. We are ever appreciative of our operations director, Michael, and our social services/office manager, Lenora, continuing the daily operations now and into the future as well! Please continue to pray for our ministry. Feel free to reach out to us at CCC anytime if you have any neighbors in need.

Making A Difference!

One of our neighbors, a member of a local church, had various health issues leading to the need for wheelchair usage, and subsequently a ramp. Due to the generosity of a donor, CCC was able to install a metal ramp, thus making her home more accessible. After she unexpectedly passed away, her son noted the joy she had found in the presence of the ramp. He wanted to make sure the ramp was available to bless someone else, so he returned it to CCC. We are saddened by her passing but grateful that she is not hampered by her disability any longer.

Before and After

A single mom with 4 kids was gifted with a living room full of furniture and a kitchen table! She graciously let us see her children's enjoyment, and greatly appreciated our service, love and prayers..
