

CHRISTIANS CONCERNED FOR THE COMMUNITY

Year-End Giving Appeal

Giving Tuesday | 2023

This is a picture of a major completed ramp from this Fall! Praise be to God for the ability to do this good work, for the volunteers who made this happen, and for Satchel's Pizza for helping to fund this project!

Dear Friends of Christians Concerned for the Community,

I hope and pray that those of you receiving this are well and are excited to be in the busy but beautiful end of year season, with Thanksgiving past and Christmas coming up fast. I want to give a huge thanks to those of you who are currently involved and supporting the work that the staff and volunteers of CCC get to do!

At the end of 2023 we at CCC are once again reminded of the great privilege we have to serve God through the ministries of this organization. We have continued our Home Delivery program and expanded the scope of our Home Projects services. And after a decade spent with CCC (volunteering, and then working), and months of preparing to take the Director role, it has been a

gift and a worthy challenge to finally steward all of our services and to connect with the churches and individuals that make this work possible.

I have been learning from the Lord to work hard for his Kingdom, regardless of the circumstances or stability of my situation. I have also been enjoying growing in the skills that it takes to execute our ministries for our needy neighbors, and to connect to our local church. *I have been blessed to witness generous and gracious supporters join together to facilitate the work we do, a prime example being the work showing God's redemptive and cleansing love to Ms. L through cleaning her home, replacing furniture, and rebuilding her rotting ramp. She and many others have been shown and told of God's love and grace this year.*

It is our hope and prayer that we can continue these ministries with enough volunteers and monetary support. *As we close out the year would you thoughtfully and prayerfully consider joining us as a new monthly partner, or by contributing a special year end gift?* We're looking to raise an additional \$13,000 to cover our projected budget deficit for this calendar year. We would be grateful if you would pray with us for the Lord to provide for CCC, that we might continue to serve and love our neighbors in the name of the Lord.

Thank you for all of your prayers and support!

Sincerely,

Michael Lynch, Director
